Acknowledgements

- A small vote of thanks for all who have helped you in this journey of App Development – my parents, Mr Ken, Clevered, Mentors, Group Members, Friends, Sites etc.

About Me..

- Hi! I am Angelin. I am a student of grade 6. I live in Kuwait. I like to dance and to do coding.

About My Internship with Clevered..

- I had a great time with Clevered during this Internship Program. My instructors Ms. Mani and Ms. Kangana.
- I have earned Rockstar for Attentiveness in this Internship.

About my App..

- In my app User Interface I have included a Calculator and six variables- first number, second number, operation, answer, last thing spoken and last thing spoken
- This app is a voice-controlled Calculator which can perform the four basic operations.

How do I use the App?

Option – Addition, Subtraction, Multiplication, Division

Operation **Addition**

When 'a' is clicked
the operation
changes to addition.

Operation **Subtraction**

When 's' is clicked
the operation
changes to
subtraction.

There are no
special
considerations/
dependencies/
risks while using
these option.

Operation **Division**

When 'm' is clicked
the operation
changes to
multiplication.

Operation **Multiplication**

When 'd' is clicked
the operation
changes to division.

Contact Person

- Please reach out to me at my email address- *'sonythomas100@gmail.com'* for any questions/ concerns/ suggestions on my App.

Thank you!
